1.0 INTRODUCTION

Implementation: It is the responsibility of line managers to ensure that staff members are aware of and understand this policy and any subsequent revisions.

Compliance: This policy complies with all relevant regulations and other legislation as detailed in the *Compliance with Regulations & Legislation Statement*.

2.0 REFERRALS

1. We accept referrals from Local Authorities (LA).
2. We are able to give parents information regarding our assessment and admission process, however, we are unable to accept referrals from parents, unless they intend to pay fees privately. We encourage parents to engage in a dialogue with their local authority and make a joint application.

3.0 ASSESSMENT PROCESS

1. Once a referral has been received from a LA, the paperwork will be read by a senior manager and discussed at the weekly Referrals, Admissions and Assessment meetings. If the pupil does not meet the

admission criteria (Appendix 1) or there are no places available, a letter will be sent to the Local Authority to inform them that the referral is not going to be followed up.

2. If the referral is suitable for assessment, a date for an Initial Contact Meeting will be made by contacting the Local Authority SEN officer. This will consist of a tour around the school for parents and child together; a discussion between parents and the Head Teacher, while the prospective pupil spends sometime in the designated classroom. An appropriate member of staff will accompany the child to a classroom to ensure that they feel secure at all times.
3. After the Initial Contact Meeting, if both the school and the family would like to go ahead with an assessment, the local authority will be contact to set up the following.
4. The assessment will consist of:
 - a. An observation by a member of the leadership team and SENDCo in the current educational placement (If child is not in an educational placement then a visit to the family and child at home will be arranged.)
 - b. The family will be invited to the school to attend a session, where the child will be placed in a suitable class and observed by a classroom teacher and/or a member of the leadership team and SENDCo.
 - c. a multi-disciplinary meeting at school where all professionals involved share information about the assessment.
5. Once the assessment process has been completed and all relevant information has been gathered, an assessment report will be compiled and a decision will be made as to whether Claystone School will be an appropriate placement for the child.

The decision will be made in line with the Code of Practice:

- a) Special Educational Needs – can the school meet the child's needs?
 - b) Resources – would the placement be an inefficient use of resources?
 - c) Current pupils – would the placement be incompatible with the efficient education of the other children with whom the child will be educated?
6. The LA will be notified in writing of the outcome of assessment within 10 working days of completion of the assessment process. NB. The process is deemed to be completed when all information has been gathered, which may or may not be the date of the assessment appointment.
 7. If Claystone School is able to meet the child's special educational needs, an offer of a place, a start date and the proposed fee will be suggested to the LA. When the LA confirms that the offer of a place is going to be taken up, Claystone School will send a letter confirming this to the LA and to the parents.
 8. The LA is responsible for making transport arrangements with the parents and will inform the school accordingly.
 9. Transition plans will be made with the LA, the current school placement and the parents. This will include a social story for the pupil to prepare them for the relevant class group and communication with parents over any issues or worries they may have. A home-school contract (appendix 2) will also be agreed by both parties.

4.0 CRITERIA FOR ADMISSION
